

**SCHEDULE OF BENEFITS  
FOR THE RETIREE PLAN OF BENEFITS**

The schedule on the following pages highlights key features of the Retiree Plan of Benefits for Covered Individuals. These benefits are described in greater detail in the Plan Document.

- The amounts charged for Covered Medical Expenses provided by Network providers are subject to the PPO allowed contractual amounts. A Covered Individual will not be balance billed for amounts over the allowed contractual amount.
- The amounts charged for Covered Medical Expenses provided by Out-of-Network providers are subject to the Reasonable and Customary Allowance (R & C allowance). R & C Allowances are determined by the Trustees (or their designee) in their sole discretion, and are amended from time to time. Out-of-Network charges are paid at 285% of the Medicare Physician Fee Schedule National Payment Amount Schedule. A Covered Individual is responsible to pay for amounts over the R & C Allowance.
