**Effective July 1, 2016,
important additions to
your prescription plan**

The Chicago Regional Council of Carpenters Welfare Fund (the “Plan”) asked us to let you know about these new, cost-saving opportunities available as of July 1, 2016:

- **OneTouch® test strips are now covered by your prescription plan at 100% with no copayment.**¹ With a doctor’s prescription, you can purchase the first fill and up to two refills at participating retail pharmacies. After the third fill, your Plan requires you to use home delivery from the Express Scripts PharmacySM to receive coverage.²
- **You can receive a OneTouch® meter system free of charge.** Please see the enclosed announcement showing the meter models and how to order from *OneTouch*®.

If you have any questions about your prescription plan, please call us toll-free at 800.939.2089.

Sincerely

Shannon Lee Eghlimi
Vice President, Service
Express Scripts

¹OneTouch® test strips are the only covered test strips on your plan’s formulary. Some exceptions to coverage terms may be made for patients with health conditions that require use of a different glucose testing system. If your doctor feels a medical exception exists, please have him or her contact Express Scripts for details. Lancets are not covered under the prescription plan.

²Test strips that are not covered by the prescription plan may be covered by the medical portion of the Plan if they are purchased through a durable medical equipment (DME) provider. Coverage is subject to the Plan’s applicable medical deductibles and coinsurance.

LT46632I (CRP16_2169).
